ORDER:

In the letter read above, the CE(R&B) CRN & MD, APRDC, Hyderabad., has stated that Rayachoti – Vempalli road is very important road in Y.S.R District. This road is an important connecting road between Pulivendula and Rayachoti constituencies. This road connects important Mandal head quarters namely Rayachoti, Lakkireddy Palli, Chakrayapeta & Vempalli besides connecting two important roads viz. Kadapa – Pulivendula road (an important S.H) and Chittoor – Kurnool road (NH-18). Number of villages are located on this road. Most of the Cement trucks from Yerraguntla in Kadapa district to Bangalore passes on this road to avoid hazardous ghat road between Kadapa & Rayachoti. The famous pilgrim center “Gandi” is located on this road. The road to R.K valley which boards IIIT at Idupulapaya originates from this road. As such the traffic intensity on this road is very high with 4949 PCUs/day. Most of the road is of single lane surface. Even in the double lane road, the existing crust is very low i.e. from 100mm to 200mm. The existing road is not in a position to cater to the needs of the vehicular traffic. The road became very hazardous for vehicular traffic. Hence it is essential to widen and strengthening of single lane road to double lane road from km 25/0 to 35/0 of Rayachoti-Vempalli road. The cost works out to Rs 10.00 crores
